To

The Assistant Commissioner,
Gadag Division, Gadag.

Sy. No. 57 of Bagewadi in Mundargi Pethe is Revenue Waste Sy. No. This is a very long and narrow strip surrounded by the Reserved Forests on three sides and the forth by a nalla. As this Sy. No. falls in the midist of Reserved Forests, it is not, in my opinion, advisible to remain as Revenue Waste land on to grant for cultivation. In view of this, this Sy. No. has already been taken up for the afforestation purpose, during this rains, i.e. 1959-60 along with other forest Sy. Nos of this village, under the II Five Year Plan spending a huge amount of money.

For the reasons explained above, the Sy.No. in question may please be notified as Reserved Forest as early as possible.

This was discussed with minister for Forest by you ~~xxx xxxxx~~ and me on 21-8-1959.

Sir,

With reference to your letter No.AFD 237 DST-57 dated 26- 4-1961, I have to state as under:

Originally, the case papers along with draft notifications under Section 29 of the Indian Forest Act 1927 were submitted to you under this office even No. dated 2- 12-1960, through the Divisional Commissioner, Belgaum for publishing the notifications in this office even number dated 2-12-1960, through the Divisional Commissioner, Belgaum for publishing the notifications in the Govt. gazette. Sub:-Afforestation of S.No.57 of Begewadi in Mundargi petha.

Ref:-Your letter No.AFD 30 FAF 62 dated 5-7-1963.

The S.No.under reference is a Revenue Waste land situated in the midst of Forest and this Department has already done the afforestation work in this S.No. It is therefore necessary to declare this as protected forest as an immediate step to bring the area under the control of this Department. In para 2 of Sub-Section (3) of Section 29 of the B.M.F Vol.II it is laid down that the provincial Government may in case of any Forest land or waste land, declare such land to be a protected Forest without enquiry into the rights over the land if it thinks that enquiry will occupy such length of time as in the meantime to endanger the rights of Government over the area. Further, according to para 2 of note 63 of Sec.29 of the B.M.F. Vol.II the above point has been made clear that enquiry into rights need not necessarily be made before declaring any waste land as protected Forest. But when protected forests are proposed to be constituted as reserved forests, then the enquiry into rights will have to be made. Since the S.No.is a Government waste land and as this has already been afforested there is no objection to declare the same as protected according to the provisions referred to above.
